

I AM...

**I am:**

Purity, freshness and gentility,  
The refreshing and replenishing water stream.

**I am:**

Strong, a cornerstone on which to lean and build  
Courageous, as I constantly seek the unfolding of my dream  
On unfamiliar territory,

**I am:**

A warrior of Truth, soldiering on, hiding from lies, standing in the Light  
Of the Divine,

**I am:**

A candle, a torch, a light that shines so bright!  
It is my calling to light others' lights, to light and re-ignite,

**I am Vision**

**I am Passion**

**I am a Mother**

**I am a Child of God put on this Earth to be ALL that I am!**

**I am:**

The flesh of a Woman, once torn, now whole!  
I am the beautiful Soul who represents my God, the Soul of my Soul!  
I am ALL of this and more, each story of before...  
I am Suffering and Liberation,

**I am:**

Triumphant triumph, I sing, I dance to the music others  
Triumphs have composed,  
I mourn for all my sisters', mothers' childrens' losses!  
I find meaning in their pain,  
Soul's victory borne of misery!

**I am:**

The Butterfly  
The Tulip  
The Waterfall  
The Rock.

**I am:**

The words of universality  
The poetry of all souls  
The song of all spirits  
The dance of all consciousness!

**I am:**

All of this and more  
Because I am of all that is now and was before,  
And is still to come...  
I am infinite creativity  
I am eternal possibility.  
I am all of who I am  
I am all of who I was born to be...  
I am... because you are: Beautiful, Radiant, Creative, Intelligent & Vibrant  
I am divinity expressing itself through my & your humanity  
I am Lynn
